### TOUR OVERVIEW

The Rwanda in 7 Days | Premium Signature Circuit is a fully structured 7-day / 7-night national loop designed for disciplined weekly execution and premium guest experience.

Beginning with a controlled Sunday arrival and professional tour briefing in Kigali, the journey unfolds across Rwanda's most iconic landscapes — from the historic reflection of the Kigali Genocide Memorial to Big Five positioning in Akagera National Park, from once-in-a-lifetime gorilla trekking in Volcanoes National Park to lakeside restoration at Lake Kivu, and finally into the biodiverse rainforest canopy of Nyungwe for chimpanzee tracking and high-elevation adventure.

The program integrates:

Gorilla trekking (permit included)

Chimpanzee trekking

Lake Ihema sunset boat safari

Full savannah game drives

Nyungwe canopy walk

Cultural village immersion

King's Palace heritage visit

Rotating Signature Dinner & Show experiences

All operations are executed using private 4x4 safari vehicles, licensed professional FYT guides, premium accommodations, and a structured Emergency Evacuation & Incident Response Plan.

The itinerary is engineered for weekly repetition over a 90-day operational window, ensuring permit security, routing efficiency, consistent quality standards, and full operational control without compromising guest experience.

This is not a fragmented collection of activities — it is a professionally sequenced national circuit designed to deliver Rwanda properly.
